

Nash's Cookbook Recipe Form

Friends of the Field and Nash's Organic Produce are partnering to produce a Nash's Farm Cookbook! We're looking for original recipes that feature Nash's vegetables, fruits, grains, herbs, pork and eggs. In around 250 words (or less) tell us about your FAVORITE recipe using Nash's Products.

Recipes should be comprised mostly of local ingredients. The book will be organized seasonally, so take the next year to get creative. Please submit your recipe to Nash's by **April 30, 2010**.

Thanks so much, and HAPPY EATING!
